## A Message from the President

We need to be thankful we dodged Mathew. Looks like our neighbors to the East weren't so lucky. Fall is coming so our dog shows are increasing, including ours. We will need workers not only for our shows but at the gate, and to run the shuttle when we need it. Please check with Joe to see where he needs help and Karen will be passing around a sign-up sheet for the gate. Also, remember in order to qualify for the complimentary Christmas dinner, you must attend 5 meetings throughout the year. Hope to see you at the next one.

Mary

## Delegate's Report

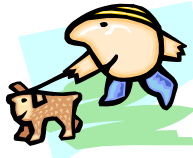

2016

I am attaching the report Danny did. We attended all but one of the same meetings together so sometimes he uses mine and this time I am using the one he did. Not much point in retyping the same information. I did attend the Rules Committee without him. We discussed territories and the committee sent the following proposal to the Board: "if a club does not hold a show in their territory for two years, they lose their exclusivity. And, if a club is denied use of a facility, they can appeal to AKC and the club holding the territory had to give a valid reason for the denial". They also discussed the option of extending the closing time for a show to midnight and the fact that the Superintendent sent misinformation out to the clubs.

Respectfully Submitted  
Mary Stolz  
TBKC Delegate
